An HSA is an individually owned tax advantaged savings account that you can use to pay for current or future health care expenses. MNGI will make an annual contribution to your account if it is set up with HSA Bank. Employees enrolled in single coverage will receive \$625 per year and employees plus dependents will receive \$1,250 per year. You are also able to contribute your own money into your HSA on a pre-tax basis.

Dental Plan

The dental insurance plan is provided by Delta Dental of Minnesota. You have the freedom to see any dentist, but if you see a dentist in the Delta Dental PPO or Premier network, it may result in lower out-of-pocket cost for you. There is a \$25 individual deductible and a \$75 family deductible. The plan includes coverage for preventive, basic and major services, orthodontia, endodontics, and periodontics.

Bi-weekly Premium Contribution	
Employee	\$4.12
Family	\$10.94

Vision Plan

EyeMed saves you money on all your eye care and eyewear needs. You'll have access to affordable eye exams and save up to 40% on eyewear. The plan has a \$10 exam copay and \$25 lenses copay.

Bi-weekly Premium Contribution	
Employee	\$2.28
Employee + 1	\$4.32

Flexible Spending Account (FSA)

FSAs are a tax-saving way to pay for eligible healthcare and dependent care expenses that you would typically pay out-of-pocket. The money you set aside in an FSA is not taxed, so you save money. The Healthcare FSA can be used for qualified medical/dental expenses, and the Dependent care FSA can be used for work-related dependent day care costs. Employees can set aside up to \$2,700 in their Healthcare FSA and up to \$5,000 per year in their Dependent care FSA.

401(k) and Retirement

Employees are eligible to begin participating on January 1st following their date of hire. There is automatic enrollment in the plan at a 3% deferral and MNGI will make a fully vested match up to 3% as soon as you are eligible to contribute.

In addition, MNGI will make annual profit sharing contributions of approximately 3.4% of eligible compensation for the first three full calendar years of employment. After four years of employment, the annual profit sharing contributions will increase to as much as 7% of eligible compensation and company contributions become 100% vested.

Life Insurance

Life Insurance is intended to protect your family's financial security in the event of your death. Your Life Insurance benefit is paid for entirely by MNGI and is provided through Prudential. Your coverage is equal to \$50,000. You also have the option to purchase additional Voluntary Life insurance coverage for you or your dependents.

Disability Insurance
